

Ultra Power Hearing Aids

beat FS RT675 UP

675 battery, wireless, telecoil, 4.0 cm

These hearing aids are powered by HANSATON FOKUS HearIntelligence® technology. They offer **exceptional sound performance**, **wireless connectivity** to accessories and all mobile phones*, a **telecoil**, and **easy personalization on the go** with the stream remote App.

Select 1 of 3 starting points during the initial fitting and then further personalize to best match your listening needs.

Hearing aids are shown at actual size.

*Smartphones and traditional mobile phones with compatible Bluetooth® profiles. The Bluetooth® word mark and logos are registered trademarks owned by the Bluetooth SIG, Inc.

Innovative by tradition:

Since the inception of HANSATON in 1957, we have been developing innovative and aesthetically sophisticated hearing solutions to offer you more freedom and emotion.
